Sir:

Supplementing the applicant's Information Disclosure Statement as filed with the present application on October 27, 2004, attached hereto is a copy of Search Report issued by the United Kingdom Patent Office (UKPO) in respect of applicants' priority application GB 0208204.8. No UKPO search was conducted on the applicants' other priority application GB 0221090.4.

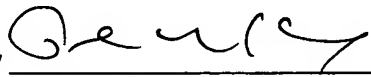

Attached is a PTO-1449 listing the references cited in the UKPO Search Report along with other U.S. patents known to the applicants or their assignee. A copy of the cited EP 0992858 is also attached. The cited U.S. patents are not included as it is understood that copies of these are not required to be submitted. However, if copies are required, it is requested that the applicants be advised.

The Examiner is requested to consider the attached in the examination of this application. The listed U.S. patents are considered to be only background art with respect to the invention.
